Editorial - Just what the Doctor ordered!

I went for a ride last weekend on the Commando; this was a sortie that needed to be done; riding to work on the Trident every day wasn't doing it for me. But this wasn't to be an easy achievement given that I had packed it away in the trailer some time earlier in a fit of tidiness. The first thing to do is check that it started. No sign of life so the battery was removed checked, topped up with water as it was bone dry. This made no immediate difference so it was into the back pocket and down the road for a new one. First kick starter straight away.

Better take it around the block for a test ride and top it up with some fresh petrol, that small trip revealed flattish tyres which were rectified and also a rear brake adjustment that was needed. A squirt of lubricant on the chain and all was set for the ride next day.

The next day dawned and was a “Baby Bears” day*. Off though Snake Gully and round the back of One Tree Hill to arrive at Gawler for the catch up with the Norton Owners Club. From there we headed through Sandy Creek, over Manglers Hill and into some nice back roads to stop at Mt Pleasant where more joined the ride.

After refreshments, and talking to other like minded riders we headed off to Lobethal for lunch. From there we went our separate way and got home in time to still do some odd jobs around the house. And there was still a day left in the weekend.

Just what the Doctor ordered. Now get out there and do it!

President's Report

As usual, I enjoyed last month's presentation night, our own version of the Oscars. The excellent supper, again provided by "Our Ladies", the company of our Atujara guests, and the warm applause for our successful riders gives me a warm glow. Big winner was Joe Ahern, Peter Westerman trophy and best Period 4, Period 4 Junior championship, Ken Blake trophy and strong points towards us reclaiming the Les Diener trophy from Atujara. With fewer rides these days, a good score at our end of year state tiles makes all the difference. Well deserved was the Clubman of the Year going to Bob Glynn and the "Best Nortons" to Richard Rake.

Hopefully, several of us will enter the Atujara Hillclimb, and the Café Racers' offer of races for us will bear fruit, as we need more opportunities to compete. Let's not forget Mount Gambier's 50-year celebrations and the "Seniors" the following month.

For those with long and fond memories of Adelaide International Raceway, there will be a reunion on Sunday 25th March at Heywood Park, Unley, which is on the southern most end of King William Road, for 10am. John Inkster said they had considered A.I.R. itself, but it would offer no shelter on a hot day, where as Heywood Park has tress, toilets, electric BBQ's and a playground for the kids. Oh, and it's B.Y.O everything!

I know there were some people who turned up late and were unable to take part in our Club Day at Tailem Bend last October, and I apologise for any misunderstandings there. It has come to pass that for non-competitive, events, such as a Champions Ride Day, participants, as in a race meeting, need to arrive early to sign in, have machine and licenses checks and then receive a rider's brief. Sadly, the casual approach of days gone by no longer applies.

Trev's Titbits

Who will be the Third Man?

Harry Lime? Who's he, you may ask? Depending on your age and experiences, you may have heard of this old series of British crime films. Filmed in black and white, and featuring UK film royalty like Sir Michael Redgrave, it was typically understated stuff, without the explosions and shoot-em-ups of the Hollywood product. Harry Lime, "The Third Man", was so named as he was neither police nor crook, and the series yielded the "Third Man Theme", a catchy, almost jazz-inspired period of music that has appeared on many musicians' albums.

But our Club's "Third Man" is yet to be identified. Since the old "Clubman of the Year" trophy was re-named in honour of the late Peter Westerman, our first life member, with "Clubman of the Year" open to anyone irrespective of on-track activities, there have only been two winners and what a chalk and

cheese pair! I refer to Joe Ahern, and our "racer's racer", and myself.

Joe, due to a busy and business life, can't come and race as often as I'm sure he'd like, but when he does he racks up lots of points through dominant performances. Although he's added an extra bike to the stable, the Norton contributed little to the state title effort, where he dominated on the not-universally-loved Yamaha.

Yours truly, on the other hand, has simply entered as many meetings as possible, scoring points through finishing, and by generally being the only competitor in my period and capacity class. My motivation has not been purely to put my name on a trophy, but to enjoy riding my bike whenever possible, which should also be what motivates our fellow members.

Now, with fewer local meetings each year, maybe 2012 is the time for our "Third Man" to

step up and take charge. I'm sure Joe or I will wholeheartedly shake his (or her) hand if and when he or she lifts the Westerman trophy.

Thumbs Up and Change Right

REPORTS

1. President's Report The committee's recommendations for voting for MSA president and director were accepted by the general meeting.
2. Correspondence:
 1. Trials club of Victoria re Australian Round of World Championship on May 26th & 27th 2012.
 2. Maleny (QLD) swap meet on 18th March 2012.
 3. Shannon's 2012 Sydney auction on 20th February
3. Treasurer's Report: Dean gave a summary of accounts stating that he should be close to finalising Mac Park next month. Some members still not financial. This report was moved for acceptance by Graham Rowley, seconded by Ronna Fisher, and carried.
4. Competition Secretary: There were few of our members at the Island Classic, at which Dave Johnson set a track record on the Paton, and Jack Wright rode Ron Angle's 638cc Matchless. Cam Donald scratched due to crashing his trail bike.

The NZ program featured a story on Bill Swallow, a special guest along with Colin Seeley. There were nearly 300 non-Japanese bikes.

The Atujara hill climb is next month, this September being the 60th anniversary of Collingrove.

The Tasman revival is just after Eastern Creek National in November
5. Road Race: Supp regs for Atujara hill climb have been approved, and those for Mac Park Seniors are doing the rounds via email. There is currently no Road Race Sports manager. Query re Mallala air fence was met with silence from MSA office. Chris Mc Ardle has visited the Road Race Sub-Committee.

Café racers fare keen to accommodate Historics again at their meetings, with 7 or 8 on the grid giving us a race. Cross-entry into limited class would be possible, so we should support them. In the past, we had supplied the majority of major officials at Mallala. Danny noted that we were spoilt for choice, going from minimal rides to plenty. Phil, whose submissions have fallen in a heap without him, sent an email on our behalf to Ross Martin, who has retired from MA. Phil advised of a very special guest next month.

General Business:

1. Judith Rowley asked if we'd heard any more on MA's proposed medical requirements. We haven't!

Meeting closed 8.55pm.

Prior to presentations, Richard Metcalf spoke on their Hillclimb on March 16th, with supp regs available on Atujara and MSA websites. Sporting Car Club now have a dual timing system, allowing 20 seconds between riders on the track. Richard's Manx is up for sale. Richard was pleased to see more riders participate in the Les Diener series.

Trevor highlighted the excellent perpetual trophy provided by Marilyn Jolly for the "Bob Jolly Memorial".
