

Hi all,

Please find attached along with this document the supp regs for the races.

For your information there is an opportunity on Thursday 27th Dec to participate in a coaching clinic, the application form etc is attached.

It is the intent of the organisers, following a request last year to run 'Class C' as is run at Broadford as well as in NSW. These will run concurrently subject to numbers with the Period 2 bikes. Be sure to make it clear on your entry that your bike is a 'Class C'

The Mount Gambier club is once again making an evening meal available on Saturday night, this will be done strictly by bookings only. Details available at the track.

If you are unsure if your bike is going to be ready, please get your entry in regardless, we are more than happy to refund genuine withdrawal's and this way our job compiling the events and the program proper is far easier. Late entries do create lots of grief!

Here is looking to another rippa weekend at Mac Pk, see you there.

Cheers

Danny Ahern #27

Competition Secretary HMCRRSA
