PRESIDENT'S REPORT

Here we are into winter, whilst some of our number are enjoying the Isle of Man in their summer. However, it would not be impossible for more rain to fall there than here.

But I'm not wishing that on them, for we'd all love a good TT result for Dave Johnson or any other Aussie.

But as good as the Manx races are, they won't compare with the 2015 Australian Historic Road Racing Championships at Mallala. October should give us good weather, the turnout from the last few Nationals point to a bumper entry, and the racing will be top-notch.

Things are fairly quiet at the moment, but will certainly intensify as Supp. Regs go out and sponsors and helpers are secured. The

next few months will fly and we'll be doing what we do best.

So, let's work towards the best National Titles yet!

I've started contacting members of 10 or more years standing, mainly by email, checking if they've received their 10 Year Certificates, a tradition established by Greg Kennedy, as we haven't kept these records as well as we should, so if you are due (or overdue), let us know.

TREV'S TITBITS: ON THE TRAIL OF KEITH CAMPBELL

At the Saturday night dinner at last month's Mac Park Seniors, Doug Dukes asked me about having a trophy to honour the late Keith Campbell, Australia's first Road Racing World Champion.

A couple of ideas were floated, and I agreed to look into it.

A week or so later, in some articles loaned to me by Richard Rake, was a story in "Two Wheels" magazine, describing how Jim Scaysbrook won the "Keith Campbell Memorial Trophy" in 1977 and 1978 at Oran Park and Amaroo circuits.

I emailed the OBA Editor for more info, and he thought the Perpetual Trophy may have disappeared when the HRR of NSW folded.

Jim suggested I reword my request as a letter seeking the whereabouts of this "Holy Grail", which he would print in OBA # 53.

He has since sent me a photo captioned "Look what I found in the shed". It was the two tankards that are his replicas from his successful rides.

If the perpetual trophy surfaces, it may be possible to resurrect the event one way or another.

Thumbs Up & Change Right
Trevor Henderson # 55

AMAZING TT FOR DAVO JOHNSON

Riding BMW and Triumph machines, David Johnson built up momentum throughout the Isle of Man TT event, finishing with five Silver Replicas and an amazing a 131.595mph lap in Friday's Senior TT.

He came 10th in the Superbike race, 11th and 10th in the two Supersport legs, 6th in the Superstock and 9th in the Senior, which was won by John McGuinness with a new lap record of 132.701mph.

We look forward to his father, Murray, telling the full story at one of our upcoming Register General Meetings. In the meantime, here are some pics of Davo's week.

On the limit in the Superbike race. He described this bike as a "bit of a beast" to ride fast.

Ready for the start....

Job done ... five Silver Replicas.

Murray Johnson accepts the Senior Silver Replica from TT legend Phil McCallen. Davo had to fly back to the mainland to help at a race-day school the next day with fellow SA racer Billy McConnell.
